

4th Grade Science

Monday

Memorial Day- Watch the video and learn more about this holiday. Celebrate by creating a flag or draw a picture to remember those that have given us our America.

Tuesday

Go to Edulastic and play “forming the Grand Canyon”. Match the time period to the cards that show what the Grand Canyon may have look like at that time.

Wednesday

Log into STEMscopes and Play your “Science Rocks- Earth Changes”

Science Rock – Earth’s Changes

Thursday

Log into STEMscopes and answer the questions for “Rock Patterns- Math Connections A”

Friday

Watch the video assigned to you on DiscoveryEd
