Grade 5: June ACTIVITIES FOR ART 2020 From: Mrs. Moore

Activity #1 PATTERNS AND COLOR:

Look at the DRAWINGS below:

- 1) START WITH AN IDEA OF YOUR CHOICE
- 2) Maybe you will draw a hand with animals, people, shapes, anime eyes??
- 3) When you are done take a photo and send it to me with your FULL NAME, GRADE, AND ROOM #.

Materials:

You will need a pencil, paper, an eraser if needed, and any materials you have to add color such as color pencils, crayons, and markers.

Tools:

If you have any shapes to trace for circles, or a ruler to add straight line patterns try using them.

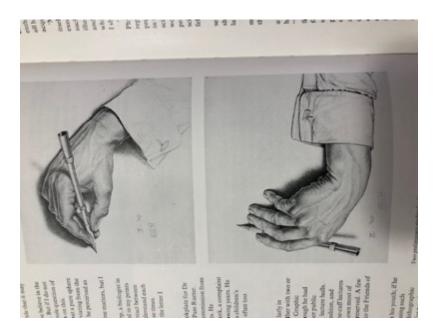

Adding DETAILS:

These examples have added many added DETAILS. PLEASE do not copy them. Create your own unique ideas. It is more fun that way!

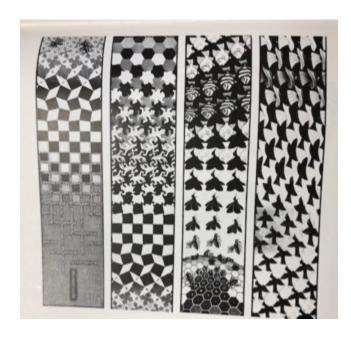

Activity #2 M.C. ESCHER:

The Artist M.C. Escher lived in different countries in Europe. He was an amazing artist and a mathematician. His work is shown in museums all around the world!

Click on the video below about his work and very cool ideas that still inspire people all around the world.

https://www.youtube.com/watch?v=SaFCHXQVhFI

TASSELATIONS:

If you want to try drawing any type of Tasselation you will need to DESIGN a pattern.

You can do that with any shape, then trace it over and over.

Escher was an expert, and no person has come close to how fantastic his work is!

Activity #3 More PATTERNS AND COLOR: Sandra Silberzweig

Sandra Silberzweig is an artist who creates with

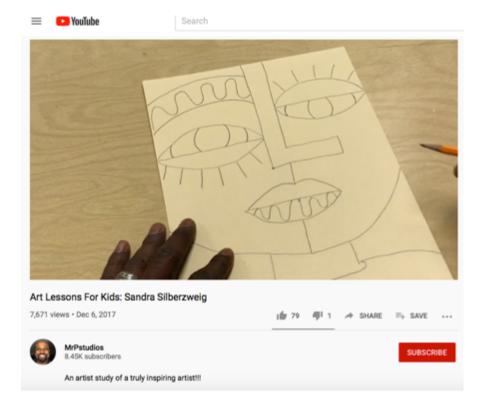

BRIGHT COLORS AND

PATTERNS!

Activity #4 DOODLES: Drawing 5 THINGS that you Can't IMAGINE NOT Having!

Check out the Doodle ideas video below. ©

https://www.youtube.com/watch?v=_A7uldEpQ90

- 1) START BY Thinking of the 5 Ideas you will draw.
- 2) THEN ADD Lettering around your Drawings. YOU CAN DRAW with only PENCIL IF THAT IS WHAT YOU HAVE.
- 3) NEXT ADD SHADING anyway you want on your Drawings and Color if you want to.

When you try this, Draw HOWEVER you want to. Experiment with Styles. This example should not be copied. What do you want to add? Maybe your favorite Pen, Toys, Games, Candy, Food, Video Game Controller, Computer, TV, a Toothbrush?

Sketch and Practice:

I encourage you to try drawing with shapes, and lines. This drawing technique can be very difficult at first. It might take many times before you feel like your drawing is working.

Miss you very much! Be creative, stay healthy & STRONG! Mrs. Moore My email is: mooreco@springfieldpublicschools.com
